

# Enjoy **Jilter**® use it or quit

Jilter® – roll your own cigaret-filter – were developed to **reduce tar, nicotine and other harmful cancer causing agents.**

Jilter® maintain cleaner and brighter teeth and prevent tobacco particles from entering your mouth.

Using Jilter® – means increasing your pleasure. Because of the reduced intake of nicotine and tar, there is a **sufficient increase of enjoyment**, a cleaner, smoother and flavour enhancing smoke.

**Warning:**  
***Jilter® won't protect you from THC.***

Jilter® were designed to be **quick, easy and convenient.** Attaching a Jilter® to your filter will compliment your method of rolling a smoke.
